Draga & Aurel

Struttura esterna realizzata in MDF impiallacciato in noce tinto nero e laccato in lucido diretto spazzolato. Interno impiallacciato in teak con finitura naturale opaca. Ante laterali realizzate in resina epossidica lucida decorate con texture serigrafate. Ribalta grande impiallacciata in noce fiammato, ribalta piccola impiallacciata in acero con finitura lucida realizzata a mano tramite gomma lacca a tampone. Maniglie in ottone satinato. Gambe in metallo verniciato nero opaco con piedini regolabili in ottone satinato.

Pezzi realizzati a mano; ogni pezzo sarà quindi diverso e unico.

The structure is carried in veneered MDF in black-stained walnut and lacquered in direct brushed polish. Inner teak-veneered with matte natural finish. Lateral panels made in glossy epoxy resin, decorated with silk-screen printed texture. Great swing door veneered in flamed walnut, small maple-veneered swing door with glossy finish carried out by hand through shellac pad. Satin-finish brass handles. Matte black-varnished metal legs with satin-finish brass adjustable feet.

Pieces created by hand; each item will therefore be different and unique.
